Additional Information:

- Breakdown of cost

Camp runs from 9am - 3pm Monday through Friday. 6hours/day = 30hours/week

Attending a full session of camp is equivalent to 90 hours total of “babysitting”

Minimum wage in NYS is currently \$7.25/hour (possibly even increasing this year)

Paying a “babysitter” minimum wage to supervise one child for the 90 hours = **\$652.50!!**

Essentially, a child would be able to attend BOTH full sessions of camp, which includes transportation AND field trips for LESS than the cost of 3 weeks of babysitting.

- Prorating

We are *very* accommodating and understand that many families go on vacations or have other plans for certain weeks throughout the summer. If you explain your situation to us, we will be able to prorate you the cost of attending camp for only 2 weeks/session (\$100/week) or even substitute a week. i.e. you are going on vacation for week 3 of session A, but would still like your child to attend 3 weeks of camp, then your child could attend week 1 of session B for the full \$300. There are several different scenarios that can occur, simply explain to us what you are looking for and we will help in every possible way.

- Transportation

The E.G. Town Camp is one of the only local camps that provides children with transportation at no additional cost. Please keep in mind, however, that these are NOT the same bus routes that your child has during the regular school year. We only have 3 bus routes that have to travel throughout the entire town to pick up/drop off campers, so it is NOT guaranteed that your child will be picked up/dropped off right in front of their house. The Transportation Department will make things as easy as possible for everyone, and there will be designated stops for many neighborhoods. If you think this will be an issue for you or your child, we suggest that you communicate with your neighbors or friends to work out a carpool system or a rotation system to walk the campers to and from their bus stops.

PLEASE send in your Registration Forms at your earliest convenience!

It requires a lot of hours and planning to group the campers and construct activities for everyone, so the earlier we receive your form, the more time we have to create a fun summer!

WE WILL NOT ACCEPT REGISTRATIONS LATER THAN JULY 2ND!

You are able to pay for camp in as many installments as you like, as long as everything is paid in full **PRIOR** to the first day of camp!
