

The Town Police Department is composed of 22 officers and 7 support professionals, dedicated to serving and protecting residents and visitors around the clock. Dispatched by an award-winning 911/Town Communications Center, the Department deploys a Patrol Force using a fleet of two and four wheel drive cruisers and special purpose vehicles. Detectives are assisted at crime scenes by forensic evidence technicians who pursue investigations. The department K9 and its handler have earned a reputation for the ability to detect hidden narcotics. A School Resource Officer is deployed full-time to school buildings for D.A.R.E. and crime scene prevention education. The Emergency Response Team trains regularly to provide a proficient and tactical response to special law enforcement situations. These along with other crime prevention, juvenile and community policing programs, provide a variety of public safety experts to serve the needs of townspeople!
