*"Life begins at retirement." ~Author Unknown*

The Town of East Greenbush along with the East Greenbush Police Department would like to thank Detective Joseph DeSeve for 38 years of dedication and service. This week Det. DeSeve hangs up his uniform one last time as he announces his retirement.

Detective DeSeve joined EGPD in May 1974. Det. DeSeve has been deeply involved in our community, and we believe that he has been a positive influence for the youth of the community for years. Det. DeSeve was appointed to Juvenile Officer in 1980. In 1985, Det. DeSeve attended a training program in behavior modification and drug prevention which was implemented into the East Greenbush School District from 1985-1988. He attended the first NYS sponsored D.A.R.E training program in 1989, which was then brought to the school where it continues today.

Det. DeSeve was appointed to Juvenile Detective in 1990, Detective in 1994 and in 2003 officially appointed to head of both the Detective and Juvenile Units with East Greenbush Police Department. It is with utmost respect that we thank Detective DeSeve for his service with the Town. [EGPD, History](#)
