It's hard to believe that another month has almost come and gone this year, but we're all thankful here at Town Hall that it's been a busy and productive month! I'd like to welcome Matt Mullin, our Planning Intern back for his second year, and all the camp counselors that have been appointed to work our Summer Camp this summer. I would also like to take a moment to congratulate Angelina Cadena on her recent appointment as Town Comptroller. Angelina has worked hard over the past two months covering the Comptroller's position in addition to her daily responsibilities as Town Purchasing Agent. Congratulations and welcome to all employees on their recent appointments!

On Saturday, May 25<sup>th</sup>, I look forward to participating in the Town's Memorial Day Parade with members of our community to remember those who have died in our nation's service. While many may recognize Memorial Day as the kick off to summer, it is important that we take the time to thank our veterans and remember those who gave the ultimate sacrifice to protect our freedom. This weekend, take time to enjoy family and friends, but also to be thankful. Thank the men and women around you that have served our country.

Be Well,

Keith Langley
