

From the desk of:

□ □ □ □ □ **Keith A. Langley, Supervisor**

□ □ □ □ □ □ □ □ □ □ □ □ □ *Town of East Greenbush*

I hope that everyone survived the heat wave last week and is now enjoying the nice break in temperatures. July has been another busy, but successful month here at Town Hall. This month, two of our new recruits for the East Greenbush Police Department graduated from the Zone 5 Police Academy and will be out on patrol soon. We are very proud of them for their efforts and look forward to seeing them on the street. We would also like to welcome, Sean M. Markham to the East Greenbush Police Department. Sean is off to the academy and we believe he will be a great addition to our Police force. Congratulations on your appointment Sean.

Each month, I have tried to keep the residents of the community up to date on the current projects that are going on in Town.

The Waste Water Treatment Plant is still moving along, and we should have word on the financing within the next month. After that we will begin work. The Mannix Road Roundabout Project is currently out to bid, with the bid opening being August 1st. Target completion date right now for the roundabout is October 15th

. I look forward to monitoring this project with you as the next couple of months proceed.

We had mentioned earlier this year that Route 9 & 20 was going to be paved from Route 4 to up in Schodack. At this time, the Town is working with NYS DOT to discuss the repaving schedule and current Water Department projects and their respective timelines. We will keep everyone up to date as information is released regarding this project.

I would like to take a moment to acknowledge the transformation of the former Chubby's restaurant. The building has been revitalized and is currently operating as the new Selena's Café. The transformation of this building is something that brings promise to the Town. It helps to set a standard and hopefully we set the momentum on the revitalization of 9 & 20.

As we enter the last full month of summer I wish everyone well. Enjoy your time with friends and family.

Be well,

Keith Langley
