October was yet another busy month for the Town of East Greenbush. If you have driven on Route 4 at any point in the past month you would have noticed the construction taking place. As we enter the final part of construction I believe many people will find the Round-a-bout a wonderful addition to the Town. The Town, prior to the project beginning, would receive a number of concerned calls from residents and employees of businesses in the area of Route 4 and Mannix Road. We hope that with the completion of this project, residents and employees that travel this area will feel safer as they drive and that the flow of traffic will be much smoother.

Each month I like to keep the residents up to date on the Waste Water Treatment Plant project. At our October Town Board meeting we voted to authorize the solicitation of sealed bids for the project. The bid packages will be available on November 1st at the Delaware Engineering, PC. If anyone has any general questions about the bidding process please email [info@eastgreenbush.org](mailto:info@eastgreenbush.org) and we will make sure the appropriate person responds to you. Bid opening will be held on December 5th at 4:30 at Town Hall, bids will be awarded at the December monthly Town Board meeting.

Just a reminder that residents are invited to join our Toddler Halloween Party on Thursday, October 31, 2013 from 10-12pm. Children up to the age of 4 are invited to join the Trick-or-Treat adventure throughout Town Hall. I hope that everyone has a safe and Happy Halloween.

The public hearing for the Preliminary Budget will be held on Thursday, November 7th at 6:00pm in the Community Room of Town Hall. All residents are welcome to come and present their questions to the Comptroller over the Board Majority's proposed Preliminary Budget. Copies of the Board's Preliminary budget can be found in the Document Download section of the website under Comptroller.

Be well!
