“As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.” □ ~John F. Kennedy

With Thanksgiving this week, we find another month has come and gone in 2013. In the spirit of giving thanks, I would like to take a minute to thank each and every member of my staff for their hard work and dedication this year. We have had a busy year with projects and everyone has played important roles in making them a reality. The Mannix Road-Route 4 Round-a-bout is complete and traffic is flowing in all directions. The Waste Water Treatment Plant project is currently out to bid, with the bid opening taking place on December 5, 2013 at 4:30 at Town Hall. Over the last few months, Judy from Wojeski & Co. has been working hard on reconciling the books so we can prepare for the Toski Audits. I look forward to providing you all with updates over the next few months.

I hope that everyone has a safe and happy Thanksgiving.

Be well
