In honor of the holiday season, I thought we might change the Supervisor's Report up for this month.

***'Twas the week before Christmas, and all throughout Town,
All holiday festivities had begun with snow falling down.
So in came our workers, to plow all the streets,
To ensure our residents safety, and leave the streets neat.***

***□ This Saturday just past, our cops braved the cold,
To raise money in support of Special Olympics and hit their high goal.
Neither snowflakes nor blizzard could bring to a stop,
Their efforts in fundraising, their mission, "Cops on Top."***

***□ In the offices of Town Hall, each employee's hard at work,
From the Supervisor to Assessor to each department clerk,
As we work on our projects, and prepare for a new year,
We're solving Town's problems, while spreading good cheer.***

***□ So as Christmas nears as each day does pass,
Take a moment to reflect, and enjoy the snow covered grass.
From our families to yours as this year comes to an end,
We wish a Merry Christmas to all our dear friends.***

It has been a pleasure working with everyone this year on a number of projects, and meeting with residents as they come into my office or pass me in the market. I look forward to another busy year with the Town next year.

Be well!
