

From the Desk of

Jack Conway

East Greenbush Town Supervisor

Tomorrow night (Friday, February 26) at 6:00 p.m. the Columbia High School girls' basketball team will play Albany HS at Hudson Valley Community College in the Section II Class AA semifinals. If you haven't had the privilege of watching this team play, you owe it to yourself to come out and see them. I went to a recent game and was so impressed by the passion, teamwork and skill they brought to what turned out to be an overtime win against Colonie.

One of the best parts of being Town Supervisor is that I get to brag about the great things going on in our Town and the Columbia girls' team definitely falls into that category. In the sectional quarterfinals they beat a heavily favored Bethlehem team by 15 points on Bethlehems's home court. I encourage you to attend Friday night's game and root for this amazing collection of young ladies. The future of our Town is in great hands!!

I also want to remind people in Hampton Manor that there will be a meeting on Monday (February 29) at 7:00 in Town Hall to discuss the water situation. We're looking forward to a lively discussion with residents as we look for a solution that will work for everyone.
