**138-2014 Resolution to Adjust Water Rates**

**WHEREAS**, the costs of providing water to the residents of the Town has increased over the past three years since the last rate increase due to increases in the purchase of water from our supplier: the City of Troy, increases in energy supply and general operation and maintenance costs of the pumping and distribution system, and other increases; and

**WHEREAS**, the Town has considered various methodologies for increasing the foregoing costs and expenses while maintaining an equitable rate structure for all customers; now therefore be it,

**RESOLVED**, that the Town adopt the following water rate structure:

1.) The existing rate billed to customers in the General Water District is \$3.70 per 1,000 gallons for residential users and \$4.00 per 1,000 gallons for commercial users. A new rate of \$4.60 per 1,000 is

hereby charged to residential customers and a new rate for all commercial users is hereby increased to \$4.95 per 1,000 gallons.

2.) The minimum water use charge in the General Water District is now \$32 per three (3) three month period for use up to 10,500 gallons (1,400) cubic feet). This minimum charge will be increased to \$38.00 per three (3) month period. Any use above the minimum will be charged \$4.60 per 1,000 gallons. New water rates for the General Water District will be initially applied in the February 2015 billing period.

3.) In the Hampton Manor Water District the flat rate charged to non-metered users is hereby increased to \$210 per year from the current \$190 per year for single family residents, and flat rates for two, three and four family customers is increased to \$280, \$410, and \$560, respectively. The metered rate for those users in the Hampton Manor system is increased to \$2.75 per 1,000 gallons from the current rate of \$2.34 per 1,000 gallons. The minimum charge of \$50 for use up to 21,000 gals or 2,800 cf per billing cycle will be applied. The new rate will be first applied in the July 2015 billing period.

4.) The Town will now recognize all existing multi-family units having in excess of three (3) or more units, as commercial rate based users and will bill these customers at the prevailing commercial water use rate; let it be further

**RESOLVED** that the new increase shall become effective immediately.
