63-2013 Resolution for a re-allocation of funds from the Rensselaer County "E-911 Account" (Re-introduction of Resolution 93-2011 dated May 18, 2011)

WHEREAS, April has been designated as "National 9-1-1 Education Month" by the National Emergency Number Association, to raise public awareness of this vital link between the eyes and ears of the general public and local first responders, and

WHEREAS, this Town Board of the Town of East Greenbush does acknowledge the 9-1-1 oversight authority of Rensselaer County, which includes such components as system design and monthly phone tax collection; and

WHEREAS, this Board applauds the intent of "9-1-1 Month" by recognizing the considerable effort and resources expended by the Town's police, fire and rescue departments to shorten their response time to emergencies and to attempt the best possible outcome of every emergency, which is at the very heart of the 9-1-1 Mission; and

WHEREAS, having its own concerns for public safety, This Board long ago identified the need for 9-1-1 calls to ring directly into the Town's Emergency Communications Center and did so inform Rensselaer County by Resolution of February 12, 1992, leading to the full implementation thereafter of the Town's "E-9-1-1" Public Safety Answering Point, and

WHEREAS, subsequently, Rensselaer County has failed to periodically upgrade the Town's "E-9-1-1" answering equipment and neglected to include the Town in its plans to install new "Wireless 9-1-1" answering equipment, but has acquired said wireless equipment for its own answering point; and

WHEREAS, when so informed of these actions, This Board did by Resolution of May 18, 2011, request that Rensselaer County provide the necessary allocations in order that cell 9-1-1 calls ring directly into the Town's Emergency Communications Center in the same manner as hardwire "E-9-1-1" continue to be received, and

WHEREAS to date, Rensselaer County has ignored this request and continues to intercept emergency calls which are intended for the Town's Communications Center, thereby complicating the call-taking process, adding unnecessary time and confusion to the management and delivery of the Town's emergency services resulting in a disservice to the residents of the Town of East Greenbush who depend on the emergency services which are provided by Town agencies; now therefore be it

RESOLVED, that in the spirit of National 9-1-1 Education Month and their being no justifiable reason to deny the Town access to its own directly dialed 9-1-1 cell calls, that Rensselaer County cease and desist the aforementioned practices, and take all necessary steps to

allocate for the Town of East Greenbush, the same quality of wireless class equipment which it has allocated for itself, and to authorize and implement the necessary programming for all cellular 9-1-1 calls which originate within the Town, to ring directly into the Town's Public Safety Answering Point.
