29 Town residents got up and spoke against the casino. Their concerns were: crime, decreased value of homes, not in my neighborhood, children walking to the casino, hurting people with gambling addictions.

Floyd Hunt spoke stated that he is working diligently with the county and the Miracle League to come up some solution to clean up the lake at the Town Park and hopes that it can be done this summer.

7 Town residents got up and spoke for the casino stating that it will be good financially for the town. This is a project that the town does not have to spend any money on. It will also bring jobs and help the tax base.

Holly Kennedy voiced her concerns about the õpick pileö being removed from the transfer station. There is a lot of good stuff that is left there for the needy and really should be reinstated.

Councilperson Mangold stated she is listening to all the comments both for and against, there is a lot of information out there. She stated that she heard rumors of the casino coming into East Greenbush three months ago but did not take it seriously. Keith told the board on the Friday before the meeting that there is a casino seriously looking at land in East Greenbush. The Town Board understands this is a big issue and are taking everything into consideration.
