

## Fall Leaf Pick-up Dates

Last Updated Wednesday, 30 November 2016 15:45

---

Fall leaf pick up will begin on Mondays, starting the last week of October and continuing during the month of November. The leaves must be in biodegradable bags and brush in 4' bundles put out alongside of the roadway.

Monday, October 24th

Monday, October 31st

Monday, November 7th

Monday, November 14th

Monday, November 21st

**Please be advised, these are the ONLY days that the Department of Public Works will be picking up leave and 4' bundles. If you miss these dates, you may bring the bags to the Transfer Station with proof of address and they will gladly take them.**

Please bundle all brush into 4' long bundles. Do not place bags of leaves or bundles of brush on pavement or in front of culverts or on top of catch basins. Place all items on edge of the road.

Thank you,

Scott Gallerie, Commissioner  
Department of Public Works
